## *Look on the Sunny Side*

There are always two sides, the good and the bad  
The dark and the light, the sad and the glad-  
But in looking back over the good and the bad  
We're aware of the number of good things we've had.

And in counting our blessings we find when we're through  
We've no reason at all to complain or be blue  
So thank God for good things he has already done  
And be grateful to him for the battles you've won  
And know that the same God who helped you before  
Is ready and willing to help you once more.

Then with faith in your heart reach out for God's hand  
And accept what he sends, though you can't under-  
stand  
For our Father in heaven always knows what is best  
And if you trust in his wisdom your life will be blest.

For always remember that whatever betide you  
You are never alone for God is beside you.
