## Lord, Bless us throughout the Year

For everything there is a season and for every season there is a prayer.

There is no time in the year or in life that doesn't lend itself to prayer; and so often the seasons of the soul reflect one another.

Prayer is for all times and for all seasons of the year; for all our moods and feelings, when the days shorten or when they lengthen, in hard times and gentle, times of joy or sorrow, times of want or blessing, times of comfort or stress...

Prayer is for all the seasons of our journey through life.

### Lord, Bless Us Throughout The Year.

Lord, bless me and my family, through all the seasons, through times of difficulty, and moments of anxiety, with worries that come and go, like the seasons themselves.

May we always turn to you in all life's ups and downs, not just in time of crisis, but in good times, too.

May we be constant in prayer, not just asking for help in time of need, but to thank and praise you, for all the good things we receive from your bounty. Amen.
