Why am I Complaining ?

My cross is not too heavy, My road is not too rough
Because God walks beside me and to know this is enough....
And though I get so lonely I know I'm not alone
For the Lord God is my Father and he loves me as His own....
So though I'm tired and weary and I wish my race were run
God will only terminate it when my work on earth is done...
So let me stop complaining about my "Load of Care"
For God will always lighten it when it gets too much to bear...
And if He does not ease my load, He will give me strength to bear it
For God in love and mercy is always near to share it.

Lord Jesus, who healed the sick, we pray for all who are not well.
Be their help and strength and bless all who care for them.
May we be at peace with your healing power working within us. Amen.

**Lord Jesus, we ask you to bring
your healing touch to those
whom we know to be sick,
afraid or worried.
Bring them your peace and
healing. Amen.**
