Christmas Greetings

At Christmas time our hearts reach out to friends we think of dearly
And checking through our friendship lists, as all of us do yearly
We stop awhile to reminiscence and pleasantly review
Special talks, happy times and things we used to do.
And though we have been too busy to keep in touch all year
We send a Christmas greeting at this season of good cheer.
So Christmas is a lovely link between old years and new
That keeps the bond of friendship unbroken and true.

(adapted from a poem by Helen Steiner Rice)

Gifts at Christmas

There are gifts to buy
And gifts to make
But there are other gifts
Worth while.
Being helpful
Being kind
And ready with a smile.
Being friendly
Doing things to please
I've made up my mind
At Christmas time this year
I'm giving some of these.

Merry Christmas Everyone.....
