## Autumn - Season of Reflection

Summer time has come to an end, unfortunately this year extreme weather conditions impacted on everybody. The turbulent summer weather of rain and a short period of extreme heat which was welcomed and enjoyed by all, particularly the children on their school holidays. Summer time was welcomed for family get togethers and family holidays. Both the inclement spring and late summer weather impacted the farming community for sowing and harvesting the grain and various other crops.

At the end of this summer we especially remember all those who lost their lives or were seriously injured on our roads and waters, we pray for them, and their families, relatives and friends.

*Despite extremes of weather, untimely deaths, illness, financial and other personal difficulties, autumn has already made its presence known and is upon us once again.*

*Holidays are over, routine has begun and the **weekly Newsletter** is back.*

### Autumn's Touch

In this season of reflection, there is beauty to be found

In every leaf of every tree

Where Autumn's touch abounds.

We hearken to the silence that

Is deaf'ning to the ear,

Which hides within the stillness

And the waiting for us here.

If only we would take this time

Of in-between to try

To feel the warmth of Autumn's sun,

And know God's passing by.

Then with a sense of wonder, we

Must certainly revere

The work of God's creation when

Autumn's touch appears.

## Thirty Second Edition

Holidays are over, routine has begun and the **weekly Newsletter** is back along with our autumn weather.

This publication is the **Thirty Second Edition of the Ballinhassig Parish Newsletter**. Since its introduction in the autumn thirty two years ago it has been published voluntarily on a weekly basis from September to June.

Thanks to everyone who submits news, the remaining few who distribute it to station areas and the many parishioners who were involved in any way with the publication over the years.

The newsletter is produced, edited and printed in the **P.A.N. Centre (Parish Office)**. It contains both church related and news from individuals, clubs and organisations from all areas of the parish. The publication may look small, but it takes effort and dedication to keep it going week after week, year after year.

We hope you will continue to enjoy and support our Newsletter and that it will continue to meet the parishioners needs as a means of communicating parish related information.

We would like to take this opportunity to once again remind all individuals, clubs and organisations to continue to send in the news from all areas of the parish.

It is essential that notices/news are received in the **P.A.N. Centre (Parish Office) by 2.00pm on Wednesday;**
