Graduation Prayers

Best of Luck to all **6th class students of the Parish** and 6th class
students everywhere who will have their **Graduation Mass or
Ceremony** in the next few weeks.

In the coming weeks Primary Schools throughout the country
will mark the graduation of their 6th class students.
Many of the Catholic Primary Schools will mark this special
occasion with the Celebration of a Special Mass.

It is a fitting way to bring to a close this part of their school journey.
The Mass/Ceremony is a prayer of Thanksgiving and all who
attended our schools have much to be thankful for as their
days there draw to a close: *lessons learned; friendships;
memories; laughs and much more.*

As they head into secondary schools throughout the country
we pray that they will continue to live the faith they have learned
and be open to new opportunities to learn there and throughout life.

This Sunday June 15th, the Church will mark **Day for Life 2025**
with a message on the theme:

'Hope does not disappoint - Finding meaning in suffering'

Message available on <https://councilforlife.ie/day-for-life-2025>

June 15th this week end is the final Newsletter until September.

Blessings for Father's Day

When did the Celebration of Father's Day begin?

Father's Day was **first celebrated on June 19th, 1910** in the USA. Mrs. Sonora Smart Dodd, a woman whose father, William Smart, had brought her and her five siblings up single handed wanted to celebrate all that her father meant to her. The story goes that she decided to institute "**Fathers Day**" after hearing a Mother's Day sermon. It is now observed around the world and celebrated in most countries on the Third Sunday in June, in 2025 it is this Sunday **June 15th**.

Father's Day Prayer

God our Father, in your wisdom and love you made all things. Bless those fathers who have taken upon themselves, the responsibility of parenting. Bless those who have lost a spouse to death, separation or divorce who are parenting their children alone. Strengthen them by your love that they may be and become the loving, caring persons they are meant to be. *Grant this through Christ our Lord. Amen.*

A Father's Day Blessing !!

You seem so strong and steady as I watch you day to day, but I know you're just a softy, Dad...so what else can I say! You've never been too strong or proud to treat me tenderly, or play a game, or watch TV, or be there just for me.

I love the way you've made me feel so safe and so secure, even though these times are hard, and nothing is for sure. I sometimes can't believe how much you sacrifice for me, so this Father's Day I pray that you will be blessed abundantly.

I'm still your little child, who feels special in your eyes, when you overlook my failures and encourage me to try.

I think you are the wealthiest of men to walk this earth, because you've given me the greatest gift.....a sense of my self worth. So never waste time "wishing" for what some would call success. To me, you are a Hero, Dad, and I've been truly blessed.

Happy Fathers Day to all Fathers.... this Sunday **June 15th, 2025**. Remember and pray for those who have gone to their Heavenly Home and those estranged from their families.

The Farmer's Prayer

This time of year is a busy time for the agricultural community in our parish as farmers make the most of the good weather with silage making etc.

We ask God's protection and blessing for the farming community that their work will bare a rich harvest.

The Farmers's Prayer

*Lord, bless the land you've given me,
And may I always know
As I tend each crop and creature
You're the One who helps them grow.*

*Grant me the strength and wisdom
Please protect me from harm,
And thank You
For Your gracious gift-*

The blessing of a farm. Amen.
