## Autumn's Touch Appears

Summer time has come to an end. This summer weather wise we were blessed with beautiful days which were welcomed and enjoyed by all, particularly the children on their school holidays, people holidaying within Ireland and foreign visitors to Ireland. Summer time with long sunny days and bright nights was welcomed for family get togethers and family holidays. Weather was good for harvesting despite the inclement spring weather which impacted the farming community for sowing the grain and various other crops.

At the end of this summer we especially remember all those who lost their lives or were seriously injured on our roads and waters, farms and other work place accidents.

*We pray for them, their families, relatives, neighbours and friends.*

*Despite such unrest globally, untimely parishioner deaths, illness, financial and other personal difficulties, autumn has already made its presence known and is upon us once again.*

As we watch leaves fluttering to the ground we are reminded that nature's cycles are mirrored in our own lives. Spring heralds new life and fast growth; the heat of the summer can equate to the period in our lives when our days seem long. Then we reach the calm, beautiful season of autumn.

## Autumn's Touch Appears

*If only we would take this time of in-between to try  
To feel the warmth of Autumn's sun, and know God's passing by.  
Then with a sense of wonder, we must certainly revere  
The work of God's creation when **Autumn's touch appears.***

## Thirty Fourth Edition

Holidays are over, routine has begun and the **weekly Newsletter** is back along with our autumn weather. This publication is the **Thirty Fourth Edition of the Ballinhassig Parish Newsletter**. Since its introduction in the autumn thirty four years ago it has been published **voluntarily** on a weekly basis from September to June.

Thanks to everyone who submits news, the remaining few who distribute it to station areas and the many parishioners who were involved in any way with the publication over the years.

The newsletter is produced, edited and printed in the **P.A.N. Centre (Parish Office)**. It contains both church related and news from individuals, clubs and organisations from all areas of the parish. The publication may look small, but it takes effort and dedication to keep it going week after week, year after year.

We hope you will continue to enjoy and support our Newsletter and that it will continue to meet the parishioners needs as a means of communicating parish related information.

We would like to take this opportunity to once again remind all individuals, clubs and organisations to continue to send in the news from all areas of the parish. It is essential that notices/news are received in the **P.A.N. Centre (Parish Office) by 2.00pm on Wednesday;**
